

# Michael Phillips Assistive Technology Award of Excellence

The Assistive Technology Advisory Council for Florida's assistive technology program, FFAST, is receiving nominations for the **2021 Michael Phillips Assistive Technology Award(s) of Excellence** which are presented annually to **two(?)** deserving individuals.

This award honors the spirit of an individual who navigated numerous physical obstacles through assistive technology tools and device.

The award recognizes an individual who has made significant contributions towards promoting the use of AT in Florida and/or making AT more accessible to those who need AT.

- Individuals eligible to be nominated must be involved with assistive technology as a professional, an advocate, volunteer, AT user, family member of an AT user, or caregiver to an AT. **(Do we want this to be only for AT users?)**

**The deadline for nominations is XXXX, and the awards will be presented at the FFAST AT Expo on XXXX.**

## Michael Phillips – A Brief Biography

[To be drafted]
