Did You Know? FFAST saves taxpayer dollars!

FFAST has a current request before the Florida Legislature for \$305,585 in nonrecurring funds (HB2618/LFIR1191).

Why is this important?

In 2020, FFAST assistive technology device loans, demonstrations, and reutilization activities **saved Floridians an estimated \$1.54 million.**

FFAST projects the increase in funding will result in an estimated **\$2.32 million in savings** for Floridians. Therefore, a \$305,585 increase will yield \$1,229,620 in more savings for Floridians with disabilities. That's a **113% increase in savings** to Floridians!
